

Going through the fire Manuela Sauer

2- and 3-dimensional works with and through the fire

Workshop: 3. Aug. - 10. Oct. 2007
Opening Show: 12 Oct. 07
Exhibition: 12. Oct. - 27. Oct. 2007

“See, I have refined you, but not like silver, but in the furnace of misery.”
(Isaiah 48,10)

2- and 3-dimensional works with and over the fire. Fire scorches, leaves scars but nevertheless burns impurities out, cleans and strengthens the form.

Give expression to the fires in your own life stories through pictures and clay and include the element fire into the creative process.
