

Transformation

Jason Trachsel

Works made of useless utensils, which are being used to create new utensils with new function and design.

Workshop: 3. Feb. – 12. April 2007

Opening Show: 13. April 2007

Exhibition: 16. – 28. April 2007

Did you ever see waste / garbage and thereby thought time and time again: That is such a pity! These parts could certainly still be used / needed somewhere!" Me too!

POTENTIAL

unnoticed

Unconsidered

thrown away

We want to take old defective articles apart and see, what can be newly arranged from it!
